

2023 Alpha Moving Assistance Tuition Reimbursement Program

Back for our second year with this program, Alpha Moving Assistance is offering a \$500 tuition reimbursement check to the top student employee from each of our two service areas. All other qualifying participants of the program will receive a \$100 Visa Gift Card to help pay for school related expenses.

The employees who qualify and win will be chosen because of their performance on the job, communication with their job coordinator, and volume of hours worked over the period of May 20th - August 15th of 2023. The winner for each service area will be announced and the scholarship will be paid out in the form of a written check shortly after this period has ended. The top prize for each service area will be awarded by random selection from the pool of employees who have met the criteria for the program.

Below are the official criteria that must be met between May 20th - August 15th for a student employee of Alpha Moving Assistance to qualify:

- A total of 70 or more hours worked (0.8hrs/day)
- A maximum of 1 job abandonments*
- A maximum of 1 damage claim made by your customers
- A total of 3 or more 5-star reviews made by your customers
- Show proof of enrollment in at least 6 credit hours during the Spring, Summer, or Fall semester of 2023
